My dad is getting older and I bought him an a tablet  
years ago hoping that he would it to &#127881; download apps to challenge his  
mind but he doesn t want to use it for hardly anything but playing this outdated  
&#127881; and simplistic game.  
What makes it worse is that he must be horrible at playing it because h  
e usually loses all &#127881; or most of his chips.  
He usually can t remember how many chips he has from day to day so I ll  
try &#127881; to win him some without him knowing. Sometimes I m not able to s  
o then I have to buy chips to &#127881; help him out.  
I can t buy chips on his account because he s on a fixed income and he  
would go crazy &#127881; if there was a charge for purchasing chips. I m guessi  
ng and at least for me, I ve notice purchasing chips will &#127881; cause a lot  
more losses since they know the people who purchase chips will purchase more wh  
en they have lost &#127881; all of there chips versus the people who play and n  
ever purchase chips.  
Well I wasn t doing any harm to anyone &#127881; but purchasing chips  
for my elderly dad but now they ve decided to crack down on a major threat to  
society &#127881; so now I can t donate money to them.
