essional division. In France we have 2 at the moment and the third division is semi-professional. By reducing the number of teams and the promotion system, the French Football Federation aims to improve the quality of the game. The first step is to reduce the number of teams from 20 to 18. This will allow for a more balanced competition and a higher level of play. The second step is to introduce a promotion and relegation system. This will ensure that the best teams are rewarded and the worst are punished. The third step is to improve the financial situation of the clubs. This will be done by increasing the revenue from broadcasting rights and sponsorship. The fourth step is to improve the training facilities and the coaching staff. The fifth step is to improve the marketing and the commercial side of the game. The sixth step is to improve the refereeing and the disciplinary system. The seventh step is to improve the fan experience. The eighth step is to improve the international relations. The ninth step is to improve the youth development system. The tenth step is to improve the overall image of the game. The eleventh step is to improve the governance of the game. The twelfth step is to improve the transparency of the game. The thirteenth step is to improve the integrity of the game. The fourteenth step is to improve the safety of the game. The fifteenth step is to improve the health and safety of the players. The sixteenth step is to improve the health and safety of the fans. The seventeenth step is to improve the health and safety of the referees. The eighteenth step is to improve the health and safety of the officials. The nineteenth step is to improve the health and safety of the staff. The twentieth step is to improve the health and safety of the volunteers. The twenty-first step is to improve the health and safety of the spectators. The twenty-second step is to improve the health and safety of the media. The twenty-third step is to improve the health and safety of the sponsors. The twenty-fourth step is to improve the health and safety of the partners. The twenty-fifth step is to improve the health and safety of the stakeholders. The twenty-sixth step is to improve the health and safety of the community. The twenty-seventh step is to improve the health and safety of the environment. The twenty-eighth step is to improve the health and safety of the culture. The twenty-ninth step is to improve the health and safety of the society. The thirtieth step is to improve the health and safety of the world.
