<p>About game «Age Of War»</p>

<p></p>

<p>Well, to be honest, the name of the newest Age of War game, whose main objectives💵 are to defend your own kingdom and vanquish the opposition,

is very lame. Let's attempt to explain our reasoning. The💵 answer is

straightforward: after beginning the battle, we got so engrossed in it that we

spent an hour or so💵 working to solve the puzzle. What drew us in so str

ongly that it was challenging to leave. The first is💵 enjoyable since it

introduces you to amusing characters who are struggling to survive. The second

is that we gradually moved💵 into the era of knights after the battles of

primitive people with the aid of everyday weapons like sticks and💵 ride

rs on dinosaurs, then there was the era of musketeers, the era of common warrior

s with machine guns, the era💵 of tanks, and the final era - space warrio

rs!</p>

<p></p>

<p>You have a set amount of money at your disposal, which you💵 can employ to build a sizable or merely numerical army. Additionally, there will be

three different sorts of soldiers in💵 every era save the last two, and

four to five in the latter two. Tanks and super warriors will be💵 presen

t in the latter.</p>
