<p>The Wii version of the game includes in-game voice chat. This is the first Call of Duty title to include the voice chat feature for the Wii. Nintendo a nd PDP have partnered to release the first headset to be used with the Wii known as PDP's Headbanger Headset.[22]</p>

<p>The second DLC is "Escalation" which includes the zombie map "Call of the Dead". On this map, players are in a snowy, foggy landsca pe. This map stands out for its celebrity quest appearance and the wonder weapon s, Scavenger and Vr-11. The Scavenger is a sniper that creates explosive damage, and the Vr-11 turns zombies into humans. The map ultimately serves as a homage to the works of George A. Romero which had already been drawn from as inspiratio n for the mode. Romero features in cutscenes and is the primary antagonist of th e map. The in-game incarnation of Romero has fostered a reputation of infamy, as many players expressed their annoyance at the challenging boss.</p> <p>In October 1963, Mason and Reznov spark an uprising to flee the prison; Reznov stays behind to facilitate Mason's escape. Upon his return to the US , President John F. Kennedy authorizes a mission to assassinate Dragovich; Mason is plagued by anxiety and murderous visions during his meeting with the Preside nt. Mason, Woods, Bowman, and Weaver are dispatched to the Baikonur Cosmodrome t o disrupt the Soviet space program and eliminate members of "Ascension" ;, a Soviet program giving sanctuary to Nazi scientists. The team destroys the S oyuz spacecraft, while Dragovich is seemingly killed in a car explosion.</p&g t:

&It;p>On April 11, 2011, a second map pack called "Escalation" was announced by Activison and Microsoft. It features 4 new multiplayer maps named & quot;Zoo", "Hotel", "Convoy", "Stockpile" and one new zombies map named 'Call of the Dead'. This map is based on the movies by George A. Romero, the revolutionary epic-zombie-horror director. The t railer for this map shows the four playable characters: Danny Trejo, Sarah Miche lle Gellar, Robert Englund and Michael Rooker. The name is a reference to the im mensely popular Dead Series created and directed by Romero. The trailer also off ers a sneak peek of a zombiefied version of George A. Romero himself, lurking ou t of water. The map is set on a ship, but with the ship's crew as zombies in stead of Nazi zombies. It was released on May 3, 2011, for the Xbox 360, June 2 on the PC and June 10 for the PlayStation 3.[82]</p> <p>Black Ops was also released for both mobile phones and smartphones.[154
