Spider Solitaire can indeed be a challenging game,

but there are strategies that can increase your chances of winning

. Here are a few tips to improve your game: Build in descending order

: When possible, try to build in descending order, from King to Ace, to create s

equences that can be moved together.

Move

cards in the main stacks before using extra stock cards

and 2s to foundation piles right away to free up space. Free up face-down cards

from the largest stacks first to have access to them. Group like suits in the s

ame stacks so they're easier to play through.
