What is the bubble?

This is the point in a tournament where the next player out does not take any winnings. The remaining players will take something away from the table.

Example: The tournament you are in states that the top 25 players will win money and there are 26 players left. These 26 players are on the bubble . The one player that is knocked out and gets no reward is said to have been knocked out on the bubble .

Playing the bubble Different strokes for different folks!

Make no mistake when the bubble period is reached in a tournament, things change. It really is the do-or-die time. It is fairly common to find players changing their style dependent upon the stack in front of them.
