After the failed U.S. attempt to overthrow the Castro regime in Cuba with the Bay of Pigs invasion, and while the Kennedy administration planned Operation Mongoose, in July 1962 Soviet premier Nikita Khrushchev reached a secret agreement with Cuban premier Fidel Castro to place Soviet nuclear missiles in Cuba to deter the United States. This led to the Cuban Missile Crisis, a major confrontation between the United States and the Soviet Union. The crisis was resolved through diplomatic efforts, and the missiles were removed from Cuba.
