The AK117 has been in COD Mobile since its launch a

nd remains a top-tier AR choice. It has a high rate of

fire and excellent damage over range. The AK117 can take out enemies in just 3-4

shots. It does have some recoil, but the proper attachments can control this.

It is effective in close to mid-range combat and can be used in l

onger-range as well, only if we equip the range attachments. To ran

k this weapon, it has good damage and accuracy, with great weapon mobility. It i

s worth mentioning, the recoil pattern of AK117 is unique.
