User-generated games could expose kids to inappropriate content.

One of the main risks parents should know about Roblox are user-generated games, or "condo games," that feature adult content, such as simulated sex acts, graphic {img}, and inappropriate language.

We do allow experiences with some forms of cartoon violence, as long as they are not overly graphic or realistic.

How ever, Roblox does offer a feature that allows parents to limit the ability to chat, and types of experiences their children can access.
