Call of Duty: Modern Warfare 2 and Warzone are specifically targeted at mature audiences. Both games depict gunshot wounds, dismemberment, and exposed viscera. The in-game dialogue regularly includes profanity. Some levels include elements such as mutilated corpses and drug paraphernalia

Rating: 1 / 5: Adults Only. Modern Warfare II is set in the brutal world of international terrorism and this is reflected in violent and often gory visuals.

As well as the standard sprays of blood in gunfire, both the campaign and multi player also have close quarters combat which doesn't water down the horrors of war.
