<p&gt;controles constitucionais&lt;/p&gt;
<p&gt;&lt;/p&gt;&lt;p&gt;To fully exploit the constrained width, avoid loadin
g the neighbouring structures and straddle shared utilities running under the si
te, the 9, £ house was constructed using a lightweight steel frame on a piled sl
ab. The steelwork was prefabricated as a series of 9, £ portal frames that were
craned down the alley and site-welded together. Given that every inch in such a
narrow space 9. £ was valuable we chose to fully weld the connections and expres
s the frame internally, even utilising the depth of the 9, £ steels to maximise
the space.</p&gt;
<p&gt;Alongside the painted steel a simple palette of spruce plywood, douglas
fir joists, terrazzo and cork 9, £ flooring enriches the interior. Externally t
he timber framed walls are clad in handmade pewter glazed brick slips with a pat
ina 9, £ that reflects the changing light of the sky. Both the simply landscaped
and planted rear courtyard and the garden in 9, £ front of the house enhance th
e feeling of space in this small dwelling.</p&gt;
<p&gt;This self-build project had a long gestation, fitted 9, £ in around pro
fessional and family life. The design and construction were developed as time an
d money allowed so whilst planning 9, £ consent was given in January 2014 and th
e ground works commenced in the spring of 2024, the building was not 9, £ comple
ted until August 2024. We worked closely with friend and joiner Michael Tye to I
ead a small team of local 9, £ subcontractors and employed specialist fabricator
s for certain key packages as well as undertaking a fair amount of the work ours
elves.</p&gt;
<p&gt;The 9, £ result is a unique and highly crafted home that is a testament
to the commitment, effort and support of many 9, £ people. By replacing a narro
w disused alley with this comfortable small home we hope to have enhanced the st
reetscape we 9, £ inhabit. As the building completes the terrace, so does the fr
ont garden - with the simple bin store, planting, level 9, £ access and bike par
king we aimed to keep it open and reinforce the pavement line without making a h
