Flags is a thinking game where you are presented with a random flag, and you must guess which country it belongs to. There are six main game modes : 60 Seconds (get as many flags correct as possible in one minute), S streak (play as long as you can without making a mistake), and Learn (wrong answer)

ag and you will choose one of the countries listed below as potential answers. The second game mode works similarly but in reverse: The game will show you a country name and present you with three flags to choose from. The quicker you answer, the more points you will earn. And the more
