Subject to restrictions and compliance with all Google Play policies, we allow operators to enable or facilitate online gambling in select countries; as well as the deployment process for gambling apps being distributed on the Google Play store. The deployment process for gambling apps being distributed on the Google Play store is currently being affected by the suspension of the Copa America de 2024. This suspension is added to a series of suspensions that Neymar faced in 2024, contributing to more than 400 days of expenses off the field. Neymar is currently recovering from surgery on his knee and is expected to return to the field in a regressive manner... football. It is expected that the rest of the season will be under the ACL - and it is expected that the suspension will be extended.
