Is Plutonium vulnerable to the same exploits? # Not at all
! In fact, our development team has taken steps to patch these vulnerabilities that still exist on the Steam versions of these games as well as the console versions.

Improved Security - Plutonium Project

Plutonium is what's known as a false positive (your antivirus thinks Plutonium is a virus, when)

king on this project for years and tons of hard work has gone into this.

Why is my antivirus saying Plutonium is a virus?
