Two Decades Later, Silent Hill 2 Is Still The Scariest Game Of All Time https://www.gameinformer.com/opinion/2024/12/27/two-decades-later-silent-hill-2-is-still-the-scariest-game-of-all-time
Silent Hill 2 makes you wallow in silence and dread so that by the time it finally breaks in its final third, and the whole thing becomes a cacophonous nightmare, the sound is overwhelming.
Silent Hill 2 is often considered more depressing than other games in the Silent Hill series due to its deeply introspective and psychologically complex narrative.
